

Welcome to The Bank

The Bank is situated with one of the finest views in Anstruther, where the Dreel Burn merges with the Firth of Forth. Whether it's a hearty breakfast (served daily between 8am & 12noon), a light lunch or dinner, The Bank offers something for everyone.

The Bank was refurbished this year with high quality and service, with leather seating, open fires, 2 large screen TVs showing sky entertainment proving a big hit with locals and visitors alike. Traditionally cooked pub food prepared from quality local produce is served in our bars dining area and also outside in the Beer Garden.

The Beer Garden offers what has been described as a "Sun Trap" in mature gardens surrounded by substantial stone walls for privacy allowing you to enjoy a drink from our selection of real ales, draught beers, wines and spirits. The Beer Garden is open when weather permits and offers a children's play area to keep all the family happy!

Please check availability and pricing online. If you have a group booking or will be staying for more than a few days, please contact us directly on 01333310189 or e-mail on enquiries@thebank-anstruther.co.uk

THE BANK
